

# Crazy In Love

Lee Aaron

(Hey hey)

Some say it's an addiction  
Some say I'm a romantic fool  
But baby it's my true conviction  
That there's no one in the  
World who's quite like you  
Ya' got me livin' in a daydream  
Spend every moment just thinkin' 'bout you  
It's not like me to be actin' this way  
But ya' got me there's nothin' I can do

(All messed up) someone gimme a shove  
I can't think straight 'cause I'm (crazy in love)  
(I need help from) the heavens above  
Out o' my mind (yeah I'm crazy in love)  
Help me baby

I let ya spend my money  
I let ya tell me those little white lies  
I let you walk all over me honey  
Yeah I can see no wrong with  
These love-struck eyes

For you I'd climb the highest mountain  
For you I'd sail a thousand seas  
Won't somebody save me from this  
State of insanity...

(All messed up) someone gimme a shove  
I can't think straight 'cause I'm (crazy in love)  
(I need help from) the heavens above  
Out o' my mind (yeah I'm crazy in love)  
Let's go

(Think you wan' it, think ya need it)  
You're not yerself (no you're crazy in love)  
(You've been blinded, be reminded)  
You're not yerself (no yer crazy in love...)

(Hey hey)

Ya got me livin' in a (daydream)  
Spend every moment jus' (thinkin' 'bout you)  
It's not like me to be (actin' this way)  
But ya got me, but ya got me  
(All messed up)

(All messed up) someone gimme a shove  
I can't think straight 'cause I'm (crazy in love)  
(I need help from the heavens above)  
Out o' my mind (yeah I'm crazy in love)

(All messed up someone gimme a shove)  
Oh yeah  
Can't think straight  
(Crazy in love) crazy in love

(I need help from the heavens) above  
Out o' my mind (yeah I'm crazy in love...)...
