

# Don't Rain On My Parade

Lee Aaron

I'm always dreamin', 'bout tomorrow  
I've got no time for feelin' down  
You're always swimmin', in your sorrow  
Well I think it's time you came around

Listen to what I say (no foolin')  
Start makin' up your mind (I ain't losin')  
I'm goin' all the way  
You can come or stay

(Don't rain on my parade..)  
(Don't rain) shine on me yeah  
(Don't rain on my parade..)  
(Don't rain), if you love me

I keep feelin', somethin's missin'  
So I'm strivin' for what I need..  
Your attitude won't, drag me under  
I' got a hold on, what's in me..

Listen to what I say (no foolin')  
Start makin' up your mind (start choosin')  
I'm goin' all the way  
You can come or stay

(Don't rain on my parade..)  
(Don't rain) shine on me yeah  
(Don't rain on my parade..)  
(Don't rain), if you love me oh

(Stand up), by my side  
(Come on), don't waste my time  
(Tell me), what it's gonna be  
(Show me), some dignity...

Listen to what I say (no foolin')  
Start makin' up your mind (I ain't losin')  
I'm goin' all the way  
You can come or stay..

(Don't rain on my parade..)  
(Don't rain) shine on me yeah  
(Don't rain on my parade..)  
(Don't rain), oh.. ho

(Don't rain on my parade..)  
(Don't rain) shine on me yeah  
(Don't rain on my parade..)  
(Don't rain), if you love me baby

(Don't rain on my parade..)  
(Don't rain)
