

# Hands Are Tied

Lee Aaron

You've got me goin' 'round in circles again  
Been through this too many times...  
It's a beginning, without any end  
A riddle without... any rhymes...

You've taken my soul, for a ride  
Oh what can I do.

Because my hands are tied  
(Oh-oh.. oh-oh) you're never satisfied...  
Ooh yeah my hands are tied.  
(Oh-oh) how can I give what you've taken away... ooh yeah

You say you want me just the way that I am  
But that's not how you feel.  
Your mind keeps changin' I don't know where I stand  
You've made it so hard to tell what is real.

I don't know what's keepin' me here.  
But I can't break away...

Because my hands are tied  
(Oh-oh.. oh-oh) you're never satisfied.  
Oh baby my hands are tied.  
(Oh-oh) how can I give what you've taken away.

Ooh, oh darlin', you're tearin' me apart  
An' I, I, I just can't take it anymore.  
Oh, oh, oh, well it's killin' me baby, you're killin' me baby  
I can't give what you've taken away.  
Can't give what you've taken, away...

Hands are tied  
(Oh-oh.. oh-oh) you're never satisfied.  
Ooh baby my hands are tied.  
(Oh-oh) how can I give what you've taken away.

Hands are tied (oh-oh.. oh-oh)  
Well you're killin' me baby, you're tearin' me up inside  
Oh-oh my hands are tied, (oh.. oh)  
I can't give what you've taken  
Give what you've taken, away...  
(Hands are tied, oh-oh.. oh-oh)  
Oh-oh, yer tearin' me apart.  
My hands are tied, (oh.. oh)  
How can I give what you've taken  
Give what you've taken
