

# Hot To Be Rocked

Lee Aaron

Everybody's rockin'  
Everybody's dancin' a party's in the air  
I wanna hear ya singin'  
Wanna see ya movin', jumpin' everywhere

I wanna get ya off yer feet tonight  
Oh (come on, come on)  
It could be the best night of your life  
(come on), come on!

We're (hot, to be rocked)  
We're (hot, to be rocked)

Ooh temp'ature is climbin'  
Everyone is cryin', out ta rock some more  
Push it to the limit  
All that we can give it, farther than we've gone before

I wanna get ya off yer seat tonight  
Oh (come on, come on)  
Gonna be the best night of your life  
(come on), come on!

We're (hot, to be rocked)  
We're (hot, to be rocked)  
Oh we're ready for some action tonight  
We're (hot, to be rocked)

We're (hot, to be rocked)  
Never gonna let the music stop

We're (hot, to be rocked)  
We're (hot, to be rocked)  
Ohh, we're (hot, to be rocked)  
We're (hot, to be rocked)  
Ready for some action tonight  
We're (hot, to be rocked)  
Yeah yeah yeah we're (hot, to be rocked)  
We're never gonna let the music stop  
We're hot, to be rocked
