

## Line Of Fire

Lee Aaron

I've been watching you from out of sight  
I've been stalking your heart through the night..  
With every second feel my hunger grow  
Where or when it strikes you'll never know...

I take careful aim, I see you in the distance  
You are the target, I can't miss....

(Step into my line of fire)  
(I'm a hunter of love you're my heart's desire)  
(Step into my line of fire)  
(I'm comin' at you with rapid fire)

The arrow flies like lightning on your trail..  
My radar's heat detector never fail..  
The laser beam leaves you nowhere to hide  
Ya feel it penetrating deep inside..

The current of your body, makes a magnetic field  
I know you want me, so I'm breakin' through your shield..

(Step into my line of fire)  
(I'm a hunter of love you're my heart's desire)  
(Step into my line of fire)  
(I'm comin' at you with rapid fire)

(The arrow, of love runs through your heart)  
You can't run, you can't hide  
You've been overexposed, to the light o' the love....

I take careful aim, I see you in the distance  
You are the target, I can't miss....

(Step into my line of fire..)  
(I'm a hunter of love you're my heart's desire..)  
(Step into my line of fire)  
(I'm a hunter of love you're my heart's desire)  
(Step into my line of fire)  
(I'm comin' at you with rapid fire)

(Step into my line of fire)  
(I'm a hunter of love you're my heart's desire)  
(Step into my line of fire)  
(I'm comin' at you with rapid fire)
