

# Metal Queen

Lee Aaron

She come like thunder.. risin' from the ground  
She'll bring you under she moves without a sound  
She holds a passion, like no other could..  
Now when she talks.. the word's understood

Writin', electric song  
So get a ticket you jus' got to get on  
(Metal Queen..)  
(Metal Queen..)

They come to see her.. move across the stage  
One single motion, turns into a rage  
She holds a power, like no other man..  
Now when she runs.. catch 'er if you can

Writin', electric song  
So get a ticket you jus' got to get on  
(Metal Queen..) (rocks your soul)  
(Metal Queen..) (takes control)  
(Metal Queen..) (rocks your soul)  
(Metal Queen..) (takes control)

Oh... oh... oh... oh...  
Oh... oh... oh... oh..... oh!

She come like thunder risin' from the ground  
She takes you under she moves without a sound  
She reeks of power, like no other man  
Well now she's runnin'.. catch 'er if you can

Writin' electric song  
So get a ticket you jus' got to get on  
(Metal Queen..) (rocks your soul)  
(Metal Queen..) (takes control)  
(Metal Queen..) (rocks your soul)  
(Metal Queen..) (takes control)  
Yow!
