

Odds Of Love

Lee Aaron

Ah ya think I'm left of centre
I say you're too intense
But we both learned the best things in life
Don't always make sense

Had our times of plenty
Starved through not enough
And somehow always stuck it out
When things they got pretty rough

People move on it's the easy thing to do
Some people move mountains, me and you

There's no (givin' up) ah
There's no (let me down)
We always come around
(Shaking down the odds o' love)
There's no (walkin' out) ah
There's no lettin' go
All through the highs an' lows
(Shaking down the odds o' love)

We don't need no piece o' paper
To keep us tied an' true
A little unpredictability
Is what keeps us new

Searching half a lifetime
Tryin' ta get it right
An' finally we got the corner on this one
Wrapped up skin tight

People move on it's the easy thing to do
Some people move mountains, me and you.

There's no (givin' up) ah
There's no (let me down)
We always come around
(Shaking down the odds o' love)
There's no (walkin' out) ah
There's no lettin' go
All through the highs an' lows
(Shaking down the odds of love), yeah

There's no (givin' up) ah
There's no (let me down)
We always come around
(Shaking down the odds o' love)
There's no (walkin' out) ah
There's no lettin' go
All through the highs an' lows
(Shaking down the odds of love)

There's no (givin' up) ah
There's no (let me down)
We always come around
(Shaking down the odds o' love)

There's no (walkin' out) ah
There's no lettin' go
All through the highs an' lows
(Shaking down the odds of love)

We're shaking down the odds of love...
Shake shake (Shaking down the odds of love)

Oh (shaking down the odds o' love) love
(Shakin' down the odds of love)
Hey, uh, shake it down
(Shaking down the odds of love) love
(Shakin' down the odds o' love) of love
