

Powerline

Lee Aaron

Strange voices in the black of night
Spinnin' round in my head..
Losin' the line between wrong and right
I feel like I'm bein' misled
What should I do, where should I go
The dark side is comin' on strong..
I battle with time, but I need somethin' more
I'm reachin' out, an' tryin' ta hold on..
(Touch the powerline)
I feel the energy starting to climb
(Touch the powerline)
We'll make it this time..
Lonely faces invade my dreams
Could one of those faces be me
I close my eyes, but I'm caught in between
Wrapped up in this mystery..
To love or betray, to stand or to fall
We're all on the borderline..
We've got to be strong, to conquer it all
Just take my hand, together we'll try..
(Touch the powerline)
I feel the energy starting to climb
(Touch the powerline)
We'll make it this time..
In a world full of empty illusions
It's so easy to feel
Lost in the shadows so reach for the real..
(Touch the powerline)
(Touch the powerline)
(Touch the powerline)
I feel the energy starting to climb
(Touch the powerline)
We'll make it this time..
Oh.. whoa-ho (touch the powerline)
- Oh... I feel, I feel the energy..
- (Touch the powerline)
Just take my hand..., an' we can make it
(Touch the powerline)
We touch the powerline...
(Touch the powerline)
Touch the power, oh... oh
(Touch the powerline)
We touch the powerline....
(Touch the powerline)
