

Some Girls Do

Lee Aaron

Wahh... check this out girls

Sleepin' in late on a weekday
Spend my las' penny on a glass o' wine
Skip a little school take a holiday
I'm gettin' real good at gettin' out o' line
Time... ta turn the music loud (who cares)
Who cares what the neighbours say
I... wanna dance all night now
No work all play
Mamma tried ta show me how a
Good girl ought to be
Ah this ain't my mamma's way but it works for me

Some girls don't get reckless
Some girls have no fun (have no fun)
Some girls never lose control
(Whoa-ho-ay) some girls never drink
Or say a nasty word or two...
(But I gotta tell ya), some girls do

[Know I' got a couple bad habits
Stayin' out late too much TV
If I like what I see I' gotta have it
Fall in an' outta love like a honeybee
Look... here comes love (I say)
I say he's lookin' fine boy...
Give me a minute, I'll make him mine
Friends think I'm crazy but I'
Still got lots o' class
If you don't like it you can kiss my (what!)

Ohh... h-ho!
Some girls don't get reckless
Some girls have no fun (have no fun)
Some girls never lose control
(Whoa-ho-ay) some girls never drink
Or say a nasty word or two...
(But I gotta tell ya), some girls do

Some girls are shy some girls are bold
Some girls get hot some girls stay cold
Some like to lie some girls are true
Some girls don't but some, girls, do

Some girls don't get reckless
Some girls have no fun (have no fun)
Some girls never lose... control
(Whoa-ho-ay) some girls never drink
Or say a nasty word or two...
But I gotta tell ya..., some girls do

Some girls, do
