Took Your Heart Away

Oh.. here you come again Just like you did before A first helping it wasn' enough Now you're coming back for more I' seen ya use so many girls An' leave them all behind Your kind of lovin' I can't resist It's enough ta blow my mind You're like a panther ready ta pounce On your unsuspecting prey You got a surprise when you hit on me 'Cause I took your heart away Oh.. here you come again Crushing little hearts with your smile I'm turning the tables this time around You'll get a taste of your own style Ya say you've never been in love before But ya finally found love with me I'll tease you an' I'll please you But I'll never set you free You're like a panther ready ta pounce On your unsuspecting prey You got a surprise when you hit on me 'Cause I took your heart away Oh.. here you come again Just like you did before A first helping it wasn' enough Now you're coming back for more You're like a panther ready ta pounce On your unsuspecting prey You got a surprise when you hit on me 'Cause I took your heart away I took your heart away I took your heart, took your heart Took your heart away... Whoa!
