

Tough Girls Don't Cry

Lee Aaron

So you're feelin' kinda rough girl
Put faith in just one love...
But there's no such thing as paradise
So'e tore your world apart girl
An' I can tell you're breakin' up
The worst ones leave you cold as ice

But your life isn't gonna end
So don't dress your heart in black
Love is gonna live again
Save those tears you're holdin' back

Tough girls
Tough girls don't
Tough girls don't cry
Don't be a fool baby, dry your eyes
Tough girls
Tough girls don't
Tough girls don't cry
So why do I

So you're tryin' to be strong girl...
'Cause now you're all grown up
But good advice won't heal... the... pain
Don't lock yourself away girl
Not the first time or the last
You'll learn a way to play the game

Your life isn't gonna end
So don't dress your heart in black
Love is gonna live again
Save.. those tears you're holdin' back

Tough girls
Tough girls don't
Tough girls don't cry
Don't be a fool baby, dry your eyes..
Tough girls
Tough girls don't
Tough girls don't cry
So why do I

Your life isn't gonna end
So don't dress your heart in black
Love is gonna live again
Save those tears jus'save them
Hold on

Tough girls
Tough girls don't
Tough girls don't cry
Don't be a fool baby, dry your eyes...
Tough girls
Tough girls don't
Tough girls don't cry
So why do I

Love is gonna live... again
