

# We Will Be Rockin'

Lee Aaron

Stand up an' clap your hands  
We're in for a deadly time  
Sold out we all understand  
Tonight is gonna be the night  
Oh can ya hear me screamin'  
We all got the feelin'  
The feelin' that controls your mind  
Makes ya kinda crazy  
Lord I don't mean maybe  
Let yourself go and we're fine  
All right  
Shake it up I wanna see ya shine  
We're gonna let it loose tonight  
Crack open that bottle o' wine  
Well I betcha it goes down so nice  
Oh feels so good ta see ya  
Sing along like you do  
Shake your head an' stomp your feet  
Feelin' kinda crazy  
Ohh... we'll let it go an' we'll see  
Whoo  
Oh let it all go now  
Part of the show now  
Let it all go an' we'll see..  
(We will be rockin' 'til the end o' time...)  
(We will be rockin' 'til the end o' time...)  
(We will be rockin' 'til the end o' time...)  
(We will be rockin' 'til the end o' time...) let's go  
We will be rockin'..  
We will be rockin'..  
We will be rockin'..  
We will be rockin'..  
(We will be rockin' 'til the end o' time...)  
(We will be rockin' 'til the end o' time...)  
(We will be rockin' 'til the end o' time...)  
(We will be rockin' 'til the end o' time...)  
Oh... yeah  
We will be rockin'  
Rockin', rockin'...  
Tonight.... yeah  
Oh... right
