

# Wild At Heart

Lee Aaron

Ah, I was born to bend the rules  
Born to do what I like  
Still you try to tell me  
How to live my life  
Ooh but I'm wild at heart  
I like to drive my car too fast  
I like to stay up all night  
Ya say it's the wrong way  
But ta me it feels right  
Ow 'cause I'm wild at heart

I'm reckless through and through  
I know that drives ya crazy  
But I can't pretend ta be like you  
One look at me, it's easy to see

That I'm wild at heart (wild at heart)  
You can try ta tie me down  
But I'm wild at heart (wild at heart)  
Can't keep my feet on the ground  
But I'm wild at heart (wild at heart)  
And you can't tame the child in me, no

I'm not ready to settle down  
Me and love just don't agree  
I wanna say no but I let you get the best of me heh yes I do  
Uh 'cause I'm wild at heart  
You don't like the games I play  
Boy you're much too serious  
Turn your back and I'll run away  
Don't you see, ya can't catch me

'Cause I'm wild at heart (wild at heart)  
You can try ta tie me down  
But I'm wild at heart (wild at heart)  
Can't keep my feet on the ground  
But I'm wild at heart (wild at heart)  
And you can't tame the child in me  
Let's go!

You ask me what I'm tryin' ta prove  
Nothin' baby I've got no excuse  
It's when my life gets too clean cut  
I just gotta shake it up

'Cause I'm wild at heart (wild at heart)  
You can try ta tie me down  
But I'm wild at heart (wild at heart)  
Can't keep my feet on the ground  
But I'm wild at heart (wild at heart)  
You can't tame the child in me

Oh I'm wild wild wild  
(Wild) Wild at heart  
(Wild at heart) hey  
(Wild at heart) don't try ta keep me down, oh no  
(Wild at heart)
