

# End of the End of the World

Lee Ann Womack

Open up the window, let the light back in  
Tell all the birds to start chirping again  
'Cause my baby's back from wherever he's been  
And it's the end of the end of the world

I take back all those things that I said  
About how I'd probably be better off dead  
My reason for living is back in my bed  
And it's the end of the end of the world

It's the end of the end of tomorrow  
The beginning of a brand new day  
Take on his sadness and sorrow  
I was fixing the limits and gave them away

Goodbye to darkness, goodbye to tears  
Goodby to grey skies, blue skies are here  
The future's uncertain but one thing is clear  
It's the end of the end of the world  
The future's uncertain but one thing is clear  
It's the end of the end of the world
