

He Called Me Baby

Lee Ann Womack

He called me baby, baby
All night long
Used to hold and kiss me
Till the dawn
And then one day I awoke
And he was gone
Now there's no more baby, baby
All night long

He called me baby, baby
All night long
Lord, I feel so empty
Since he's been gone
And I lie here
And I die until the dawn
Ah, it's my baby, baby, baby
All night long

He called me baby, baby, baby
All night long
He kept my tears away
When things were wrong

Yeah, what I'd give
What I'd give
If he'd come, oh, back home
And call me baby, baby
All night long

He'd called me baby, baby
All night long
He held me up so high
And made me strong
Now each night in dreams
Just like a song
I can still hear baby, baby, baby, baby
All night long

He call me baby, baby, baby
All night long
He kept my tears away
When things were wrong

What I'd give (What I'd give)
Hey what I'd give
If he came, oh, back home (Come back home)
I can still hear baby, baby, baby
All night long
I can still hear baby, baby, baby
All night long
I can still hear baby, baby, baby
All night long
