

# He'll Be Back

Lee Ann Womack

Don't feel sorry for me  
It's not like it seems  
Yeah, he left this morning  
Tonight I've got my dreams and memories

He'll be back  
He'll be back  
If he's anything like his memory  
He'll be back

Early morning kisses  
Deep down hidden wishes  
Old friends come to visit  
That's how I remember him to be

He'll be back  
He'll be back  
If he's anything like his memory  
He'll be back

He'll be back  
He'll be back  
If he's anything like his memory  
He'll be back
