## Lee Ann Womack

```
Don't feel sorry for me
It's not like it seems
Yeah, he left this morning
Tonight I've got my dreams and memories
He'll be back
He'll be back
If he's anything like his memory
He'll be back
Early morning kisses
Deep down hidden wishes
Old friends come to visit
That's how I remember him to be
He'll be back
He'll be back
If he's anything like his memory
He'll be back
He'll be back
He'll be back
If he's anything like his memory
He'll be back
```
