

I Feel Like I'm Forgetting Something

Lee Ann Womack

Grabbed my keys
The door is locked
Running late as I back out of the drive
I feel like I'm forgetting something

Feeling good, great big smile
First time in a long, long while
You ain't been the first thing on my mind
Yeah, I feel like I'm forgetting something

Maybe my heart is finally healing
Could it be I'm getting over you
Baby, I'm better now at dealing
With living life without you loving
Your memories down to nearly nothing
I feel like I'm forgetting something

There's a guy at work, he's cute for sure
I've never noticed him before
Something's had me so preoccupied
But I feel like I'm forgetting something
