

# I Feel Like I'm Forgetting Something

Lee Ann Womack

Grabbed my keys  
The door is locked  
Running late as I back out of the drive  
I feel like I'm forgetting something

Feeling good, great big smile  
First time in a long, long while  
You ain't been the first thing on my mind  
Yeah, I feel like I'm forgetting something

Maybe my heart is finally healing  
Could it be I'm getting over you  
Baby, I'm better now at dealing  
With living life without you loving  
Your memories down to nearly nothing  
I feel like I'm forgetting something

There's a guy at work, he's cute for sure  
I've never noticed him before  
Something's had me so preoccupied  
But I feel like I'm forgetting something
