

She's Got You

Lee Ann Womack

I've got your picture that you gave to me
And it's signed with love just like it used to be
The only thing different the only thing new
I've got your picture she's got you
I've got the records that we used to share
And they still sound the same as when you were here
The only thing different the only thing new
I've got the records she's got you
I've got your memory or has it got me
I don't know but I know it won't let me be
I've got your class ring that you gave to me
And it still looks the same as when you were here
The only thing different the only thing new
I've got your class ring she's got you
(repeat 3rd verse)
