

Someone Else's Heartache

Lee Ann Womack

Don't ask me if he's crossed my mind
'Cause that would be a waste of time
It's a good thing he can't get me down
He's someone else's heartache now

I no longer toss and turn at night
Or pray to God that he's alright
I could care less if he makes the rounds
He's someone else's heartache now

The things I say to just get by
The only way that I survive
I tell myself that I'm okay
No matter what my heart might say

I don't think about what might have been
I'm just glad I'm finally over him
I guess he's happy with the love he's found
He's someone else's heartache now

The things I say to just get by
The only way that I survive
I tell myself that I'm okay
No matter what my heart might say

I don't think about what might have been
I'm just glad I'm finally over him
I guess he's happy with the love he's found
He's someone else's heartache now
I guess he's happy with the love he's found
He's someone else's heartache now
