

Time For Me To Go

Lee Ann Womack

Well it's gettin' late now baby
I really should be gettin' home
If it feels like I've been here too long
Must be time for me to go

How can we be here together?
And still be so alone
If you don't feel the way I do by now
Must be time for me to go

You know I don't really wanna leave
Baby, there's no place I'd rather be
I'm holdin' on but I'm afraid
That I'm runnin' out of reasons to stay

Well it's gettin' late now baby
And the wind is blowin' cold
If there's nothin' left for us to say
Must be time for me to go
