

Wicked

Lee Ann Womack

You can't blend in down in [?]
With long blond hair and an orange El Camino
But two things I never thought I'd need to get by
A 38 special and an alibi

Ah, wicked is as wicked does
And if this ain't wicked, well, it's close enough
I thought I was good and maybe I was
But wicked is as wicked does

There's a thunderhead falling in the rear view mirror
Every time I check it's a little bit nearer
Whatever I guess I learned
But I never heard of anyone that didn't deserve it

Oh, wicked is as wicked does
And if this ain't wicked, well, it's close enough
I thought I was good and maybe I was
But wicked is as wicked does

Something had to happen something had to be done
And it turns out I'm pretty good with a gun
Well it doesn't make it right, but it is what it is
And any mama in the world would have done what I did

Hey, wicked is as wicked does
And if this ain't wicked, well, it's close enough
I thought I was good and maybe I was
But wicked is as wicked does
I thought I was good and maybe I was
But wicked is as wicked does
