

# No Better Than This

Lee Brice

We got some Hank on deck  
Snoop Dogg pumpin  
The bass behind the seats  
Got my baby's butt jumpin

Somebody brought a jar  
Got the whole party buzzin  
The word on the street  
Is everybody's comin  
(Everybody's coming tonight babe. Come on.)

Well it don't get  
No better than this  
We got the sunshine on our face  
Moonshine on our lips

Well around here  
This is as good as it gets  
We got the summertime with my friends  
Everybody take a sip  
Well it don't get  
Yeah it don't get better than this

Well if your beer's gettin low  
Go ahead and kill it  
Got the Yeti in the back  
Full of Bud Light chillin  
(Aw that beer is gettin cold)

Well if it gets too hot  
Take your girl to the river  
Grab a rope swing knot  
Backflip  
Make her shiver  
(Make her shiver now)

Well it don't get  
No better than this  
We got the sunshine on our face  
Moonshine on our lips

Well around here  
This is as good as it gets  
We got the summertime with my friends  
Everybody take a sip  
Well it don't get  
Yeah it don't get better than this  
(Don't get better than this. Aww yeah.)

We can stay right here  
Let the wind blow 'round  
Stick our toes in the mud  
Let the sun go down  
Til the moonlight fades away

We can hop in my truck  
And take a little ride

Hold your head out the window  
Let your hair blowdry  
Whatever you want to do girl  
(It don't matter. Either way)

Well it don't get  
No better than this  
We got the sunshine on our face  
Moonshine on our lips

Well around here  
This is as good as it gets  
We got the summertime with our friends  
Everybody take a sip  
Well it don't get

Well it don't get  
No better than this  
We got the sunshine on our face  
Moonshine on our lips

Well around here  
This is as good as it gets  
We got the summertime with our friends  
Everybody take a sip  
Well it don't get  
Yeah it don't get better than this  
Aww it don't get better than this  
(Yeah it don't get no better.)
