

Act Like That

Lee Carr

[Verse 1:]

Sometimes I act like I don't care
I know the things I do aint fair
When I'm with you I look at other girls
Like I don't even know you're there
Sometimes I come home late
And I don't even think to call
I know I shouldn't do you dirty
It's like I don't love you at all
I aint gonna like that, no

[Chorus:]

I'm not gonna act like I don't love you
Don't love you no more
And I'm not gonna act like I don't care
That you're walking out the door
I'm not gonna act like I don't want to
Really try to make it work
I'm not gonna act like that no more (no more)
I'm gonna act like that

[Verse 2:]

What am I to do without you boo
Without you I'll be half a man
Im'a get it straight, don't walk way
Baby don't you understand
That the things I did were in the past
And in my heart I want to make it last
Girl what I'm trying to say is
I'm ready to change ways
I aint gonna act like that

[Chorus:]

I'm not gonna act like I don't love you
Don't love you no more
And I'm not gonna act like I don't care
That you're walking out the door
I'm not gonna act like I don't want to
Really try to make it work
I'm not gonna act like that no more (no more)
I'm gonna act like that

You make me say oooh oooh...

[Chorus:]

I'm not gonna act like I don't love you
Don't love you no more
And I'm not gonna act like I don't care
That you're walking out the door
I'm not gonna act like I don't want to
Really try to make it work
I'm not gonna act like that no more (no more)
I'm gonna act like that

I'm not gonna act like this
I'm not gonna act like that
I'm not gonna act like that no more

I'm not gonna do the things no more
No, no
