

Annabelle

Lee DeWyze

I wake up and crawl out of bed
Look in the mirror just to make sure I'm not dead
I'm still asleep
When I finally awake
I pray to whoever that I'm not too late
Where have I been?

Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
And if you walk with me,
I will walk with you
And if you talk to me,
I will talk to you
And if you walk with me,
I will walk...

There will come a window
And it's kind of dark
Perfect day for a walk inside the park
I said I will pray
You ask me, I guess you ain't that bad
Living life out of a paper bag
Where have I been?

Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
And if you walk with me,
I will walk with you
And if you talk to me,
I will talk to you
And if you walk with me,
I will walk...

Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
And if you walk with me,
I will walk with you
And if you talk to me,
I will talk to you
And if you walk with me,
I will walk...

Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
And if you walk with me,
I will walk with you
And if you talk to me,
I will talk to you
And if you walk with me,
I will walk...
