

## No Regrets

Lee Hazlewood

I know your leavin's too long overdue  
For far too long I've had nothin' new to show to you  
Goodbye dry eyes I watched your plane  
Fade off west of the moon  
And it felt so strange to walk away alone

No regrets, no tears goodbye  
Don't want you back, we'd only cry, again  
Say goodbye, again

The hours that were yours, echo like empty rooms  
The thoughts we used to share, I now keep alone  
I woke last night and spoke to you,  
not thinking you were gone  
It felt so strange to lie awake, alone

No regrets, no tears goodbye  
Don't want you back, we'd only cry, again  
Say goodbye, again

Our friends have tried to turn my nights to day  
Strange faces in your place can't keep the ghosts away  
Just beyond the darkest hour, just behind the dawn  
Still feels so strange to lead my life, alone

I've no regrets, no tears goodbye  
Don't want you back, we'd only cry, again  
Say goodbye, again
