No Regrets

Lee Hazlewood

I know your leavin's too long overdue

For far too long I've had nothin' new to show to you

Goodbye dry eyes I watched your plane

Fade off west of the moon

And it felt so strange to walk away alone

No regrets, no tears goodbye Don't want you back, we'd only cry, again Say goodbye, again

The hours that were yours, echo like empty rooms
The thoughts we used to share, I now keep alone
I woke last night and spoke to you,
not thinking you were gone
It felt so strange to lie awake, alone

No regrets, no tears goodbye Don't want you back, we'd only cry, again Say goodbye, again

Our friends have tried to turn my nights to day Strange faces in your place can't keep the ghosts away Just beyond the darkest hour, just behind the dawn Still feels so strange to lead my life, alone

I've no regrets, no tears goodbye Don't want you back, we'd only cry, again Say goodbye, again
