

Trouble Is A Lonesome Town

Lee Hazlewood

Lord I'd like to leave this town
Lord I'd like to leave this town
But I guess I'll hang around
But I guess I'll hang around

Trouble is a lonesome town
Trouble is a lonesome town
Trouble is where I was born
yeah trouble is where I was born

[harmonica]

Trouble is a lonesome town
Trouble is a lonesome town
Trouble is where I was born
yeah trouble is where I was born
Trouble
Trouble
