Trouble Is A Lonesome Town

Lee Hazlewood

Lord I'd like to leave this town Lord I'd like to leave this town But I guess I'll hang around But I guess I'll hang around

Trouble is a lonesome town Trouble is a lonesome town Trouble is where I was born yeah trouble is where I was born

[harmonica]

Trouble is a lonesome town Trouble is a lonesome town Trouble is where I was born yeah trouble is where I was born Trouble Trouble
