## **Trouble Is A Lonesome Town**

## Lee Hazlewood

Lord I'd like to leave this town Lord I'd like to leave this town But I guess I'll hang around But I guess I'll hang around

Trouble is a lonesome town
Trouble is a lonesome town
Trouble is where I was born
yeah trouble is where I was born

## [harmonica]

Trouble is a lonesome town
Trouble is a lonesome town
Trouble is where I was born
yeah trouble is where I was born
Trouble
