

## New Kind of High

Lee Kernaghan

Came on fast, came on strong  
One hit and I was gone,  
Like a shot out of the blue  
One word, one look  
First kiss and I was hooked  
Now I'm flyin' with you

I'm on a new kind of high  
Out of my head, lost in your eyes  
I'm floating on a new kind of rush  
Breathing you in, we're lifting off  
On a new kind of high

It's a thrill it's a buzz  
Happens when the two of us  
Get together like this  
There's a hunger we both know  
This could get out of control  
But I don't wanna stop

I'm on a new kind of high  
Out of my head, lost in your eyes  
I'm floating on a new kind of rush  
Breathing you in, we're lifting off  
On a new kind of high

You're beautiful, you're beautiful, you're beautiful

I'm on a new kind of high  
Out of my head, lost in your eyes  
I'm floating on a new kind of rush  
Breathing you in, we're lifting off  
On a new kind of high

New kind of high

It's a feeling, it's a buzz  
Happens when the two of us  
Get together like this  
Came on fast, came on strong  
One hit and I was gone  
Like a shot out of the blue
