

Bulletproof

Lee Rocker

Well, I'll tell you once
I'll tell you again
I've got the strength of twenty men

I'm bulletproof
Baby, baby said I'm bulletproof
B-b-b-b-b-b-b-b-bulletproof

I've got a fist of iron
I've got a heart of gold
Well, I'm completely immune to the common cold

I'm bulletproof
Baby, baby said I'm bulletproof
B-b-b-b-b-baby I'm bulletproof

I can out wrestle a crocodile
Then I run a three minute mile
I ain't scared of no kryptonite
Ain't a man alive I can't whip in a fight

I said I'm bulletproof
Baby, baby I'm bulletproof
B-b-b-b-b-b-b-b-bulletproof

Well, I can go out and rock this town
I can lift about a thousand pounds
I can make the thunder growl
I'm upright and I'm underground

I'm bulletproof
Baby, baby said I'm bulletproof
B-b-b-b-b-baby bulletproof

I can chop down a tree
I can write you a poem
And I'll rock you baby
Till your daddy get home

I'm bulletproof
Baby, baby said I'm bulletproof
B-b-b-b-b-baby bulletproof
B-b-b-b-b-baby bulletproof
B-b-b-b-b-b-b-b-bulletproof
