

# Bulletproof

Lee Rocker

Well, I'll tell you once  
I'll tell you again  
I've got the strength of twenty men

I'm bulletproof  
Baby, baby said I'm bulletproof  
B-b-b-b-b-b-b-b-bulletproof

I've got a fist of iron  
I've got a heart of gold  
Well, I'm completely immune to the common cold

I'm bulletproof  
Baby, baby said I'm bulletproof  
B-b-b-b-b-baby I'm bulletproof

I can out wrestle a crocodile  
Then I run a three minute mile  
I ain't scared of no kryptonite  
Ain't a man alive I can't whip in a fight

I said I'm bulletproof  
Baby, baby I'm bulletproof  
B-b-b-b-b-b-b-b-bulletproof

Well, I can go out and rock this town  
I can lift about a thousand pounds  
I can make the thunder growl  
I'm upright and I'm underground

I'm bulletproof  
Baby, baby said I'm bulletproof  
B-b-b-b-b-baby bulletproof

I can chop down a tree  
I can write you a poem  
And I'll rock you baby  
Till your daddy get home

I'm bulletproof  
Baby, baby said I'm bulletproof  
B-b-b-b-b-baby bulletproof  
B-b-b-b-b-baby bulletproof  
B-b-b-b-b-b-b-b-bulletproof
