

# One More Night

Lee Rocker

One more night, the stars all in sight  
But tonight I'm as lonesome as can be  
Oh, the moon is shinin' bright  
Lighting everything in sight  
But tonight no light will shine on me

Oh, it's painful and it's sad,  
I lost the only pal I had,  
I just couldn't be what she wanted me to be  
I will turn my head up high  
To the dark and rolling sky  
But tonight no light will shine on me

I was so mistaken when I thought that she'd be true  
I had no idea what a woman in love could do

One more night, I'll wait for the light  
While the wind is blowing high above the tree  
Well, I miss my darling so  
I didn't mean to let her go  
But tonight no light will shine on me

I was so mistaken when I thought that she'd be true  
I had no idea what a woman in love could do

One more night, the stars all in sight  
But tonight I'm as lonesome as can be  
Oh, the moon is shinin' bright  
Lighting everything in sight  
But tonight no light will shine on me  
But tonight no light will shine on me
