

Army of Lovers

Lee Ryan

There's an army of lovers
Dying to meet you
Dying to make your
Acquaintance
It could be you
Or it could be me
So don't let go
Cos I need you so
I'm yours and you are mine
Theres something about you baby
I wanna hold you tonight
Accidents happen
Strangest of places
How can the happen at all
Look for the turning
For something or nothing
I won't let go
Cos I need you so
I'm yours and you are mine
Theres something about you baby

I wanna hold you tonight
Every time I see you
You complete my life
Got to find an answer
Stay with me 2nite
Stay with me
Oh baby wont you stay with me
Stay with me

There's an army of lovers
Dying to meet you
Dying to make your
Acquaintance
