

# Baby I'm Scared Of You

Leela James

Come if you got real love for me  
Stay away if you got games and tricks for me  
'Cause I want a man who means everything he says  
And not a boy full of play, pulling rabbit out of his hat everyday  
Oh my baby, I'm scared of you  
I, I, I don't believe in magic  
(Magic)  
I believe, I believe in love everlasting  
Houdini he was a great magician  
He could crack a lock from any position, yeah  
But my heart ain't noting like those locks  
And your formula is not a brand of stock  
Like Little Red Riding Hood, you're a fox  
Oh baby, I'm scared of you  
I, I, I don't believe in magic  
(Magic)  
I believe, I believe in love everlasting  
Baby, I'm scared of you  
I, I, I don't believe in magic  
(Magic)  
I believe, I believe in love everlasting  
Don't go pulling no rabbits out your hat  
It'll be all Oh and I can't go for that  
No, oh no, no  
I can't go for that  
I can't understand it  
No, no, no  
You ain't no Houdini  
No, no, no  
I can't go for that  
No, no, no, yeah  
You ain't no Houdini  
Oh, no, no  
I can't go, yeah, yeah  
Tell me  
Oh, baby  
Is it real, yeah  
Is it real, yeah  
I can't understand it  
I can't understand it  
You ain't no Houdini  
No, no, no  
No, no, no, no  
No, no, no  
Yeah, yeah, yeah, yeah  
Oh, oh, yeah  
What do you want from me?  
What do you want from me?  
You got to tell me, yeah  
Oh, oh, oh  
Oh, no, no  
Sure, can't understand it  
I can't understand  
Oh, no, no  
Yeah, yeah, yeah
