Wrong
Let it do what it do
I think I love you

I've got this
Funny little feeling
Down in my
Inner most spirit

I can't help it You stay on my mind Feels so good But it can't be right

If it's wrong, loving you Then wrong will be right Don't care if it's wrong Let it do what it do 'Cause I think I love you

I love you

I try to stop it
'Cause we're so out of our Set it tripping
Emotional orgy

This is nonsense
Can't keep doing this
I should let it go
But I can't 'cause I know it's wrong

If it's wrong, loving you Then wrong will be right Don't care if it's wrong Let it do what it do 'Cause I think I love you

I love you, love you I love you, I love you, I need you

I love you, I love you I love you, I love you, I do

If it's wrong, loving you Then wrong will be right Don't care if it's wrong Let it do what it do 'Cause I think I love you

If it's wrong, loving you Then wrong will be right Don't care if it's wrong Let it do what it do 'Cause I think I love you I love you, I love you I love you, I love you
