

# Mr. Incredible - Ms. Unforgettable

Leela James

If I could write a letter to your heart  
I'd start by saying that we'll never part  
And please say that you will be mine  
Until the end of time

If I were a lock I'd let you be the key  
To unlock all of this love in me  
To unlock all of this ecstasy  
And if you think that I'm worried  
Let your mind be rest assured  
(Let your heart be rest assured)

My love is light as a feather  
But hard as a rock  
(Yeah, let your mind be rest assured)  
Yeah, the cupid has found us  
I don't wanna stop

If you will be my Mrs. Incredible  
I'll be your Mr. Unforgettable  
Always, forever and ever, always, always  
And if you be my Mr. Incredible  
I'll be your Miss Unforgettable  
Always, forever and ever, always, always

If this were a play you'll be my leading man  
The words you recite would touch my soul  
And I would direct you to touch, to hold  
And love me all through the night

If I could be your never ending song  
I'd play while we make love all night long  
Do away with your baggage  
Your worries and all of your fears

So if you're worried, baby  
Let your heart be rest assured  
(Let your mind be rest assured)  
Yeah, the cupid has found us  
I don't wanna stop, baby, if you be my

My incredible, superwoman  
(My superman)  
Baby, I'll be your king  
(I'll be your queen)  
And your superman  
(Baby, you'll be my king)

'Cause I'll be your superwoman  
(Could you be my wonder woman?)  
My super man  
(I could be your)  
Be your  
(Wonderful)  
If you be my man  
(Wonderful, wondeman)

If you'll be my Mrs. Incredible  
I'll be your Mr. Unforgettable  
Always, forever and ever, always, always  
If you will be my Mr. Incredible  
I'll be your Miss Incredible  
Always, forever and ever, always, always
