

Heart Of Mine

Left Alone

All I want is peace of mind
So in the end I know that you're mine
In my heart, in my mind
Inside of me until the end of time

And all the money in the world don't mean a thing
If you're not mine
To me you are everything
Heart of mine

She's in my heart and in my mind
Every day she is my sunshine
In my heart, in my mind
Girl, I want you to be mine

And all the money in the world don't mean a thing
If you're not mine
To me you are everything
Heart of mine
