

## Wash Away

Left Alone

I'm a prisoner of my ways  
I've been captured and defeat  
And I wonder cause I  
I've been here wasting away  
Living on a memory

But I'll wash you away  
I'll wash her away

I remember all the times  
The good the bad it's been all the same  
And I wonder cause I  
I've been here losing my mind  
Living on a memory
