

I Want To Be With You Always

Lefty Frizzell

I lose my blues, honey, when I'm with you
No one else can do what u do, you're in my heart to stay
When I'm gone, and I'm all alone
I'll be singing this song for you, I want to be with you always

I'd be happy, dearest, if you could only be here
And always be nearer, forever and a day
Then we'd travel far, we'd be some big, shining star
Just you and my guitar, and stay there, sweetheart, for always

I just want to love you baby
You mean so much to me, you don't no how I feel
I'm crazy in my little world

I hope you feel the same, you really want my name
Well, you'll be the one who's to blame, if it works out wrong t
hat day
Cause my love is true, my love is only for you
I'll never be blue, if I can be with you always
