

My Lovin' Gal Lucille (blue Yodel No.2)

Lefty Frizzell

If you ever had the blues you know just how I feel
If you ever had the blues you know just how I feel
I'm about to lose my lovin' gal Lucille
I love you mama but I don't like your lowdown ways
I love you mama but I don't like your lowdown ways
You got me in trouble and now I'm served in days
Well I ain't gonna marry I ain't gonna settle down
Lord I ain't gonna marry I ain't gonna settle down
I'm gonna be a rounder till the police shoots me down
You can blow your whistle mama you can toot your horn
You can blow your whistle mama you can toot your horn
You're gonna wake up some morning and find your daddy gone
