

# She's Gone Gone Gone

Lefty Frizzell

She said If I ever deceived her  
She'd be gone before I could count ten  
I guess that I didn't believe her  
'Cause look at the trouble I'm in

She's gone, gone, gone, gone, gone, gone  
Crying won't bring her back  
The more that I cry, the faster that train  
Flies farther on down the track

I've lost every right to be happy  
When I lost the heaven I found  
She warned me she'd leave and she left me  
Before my first tear hit the ground

She's gone, gone, gone, gone, gone, gone  
Crying won't bring her back  
The more that I cry, the faster that train  
Flies farther on down the track

If I only knew where to find her  
I'd crawl there on my hands and knees  
Each tick of the clock's a reminder  
She's one second farther from me

She's gone, gone, gone, gone, gone, gone  
Crying won't bring her back  
The more that I cry, the faster that train  
Flies farther on down the track
