She's Gone Gone Gone

Lefty Frizzell

She said If I ever deceived her
She'd be gone before I could count ten
I guess that I didn't believe her
'Cause look at the trouble I'm in

She's gone, gone, gone, gone, gone Crying won't bring her back The more that I cry, the faster that train Flies farther on down the track

I've lost every right to be happy When I lost the heaven I found She warned me she'd leave and she left me Before my first tear hit the ground

She's gone, gone, gone, gone, gone Crying won't bring her back The more that I cry, the faster that train Flies farther on down the track

If I only knew where to find her I'd crawl there on my hands and knees Each tick of the clock's a reminder She's one second farther from me

She's gone, gone, gone, gone, gone Crying won't bring her back The more that I cry, the faster that train Flies farther on down the track
