

# There's No Food In This House

Lefty Frizzell

Sister says she's hungry brother says he's hungry too  
If daddy don't get a job real soon I don't know what we're gonna do  
Cause there's no food in this house there's no food in this house  
My daddy's looking mighty worried since they cut off the credit at the store  
I used to ask mom what's for supper now I don't ask anymore  
Cause there's no food in this house there's no food in this house  
Daddy's been off from work now two months and a day  
Mama she don't say nothing but last night I heard her pray  
Oh Lord please do something something mighty fast  
Me and these babies are hungry I don't know how long we can last  
Cause there's no food in this house there's no food in this house  
The people from the church came by last night and brought a big basket of food  
I guess mama's prayers were answered it's strange how the Lord does move  
Cause we got food in this house now we got food in this house  
Now when we say the blessings we thank him for the food in this house  
We thank him for the food in this house we thank him for the food in this house  
We thank him for the food in this house
