Sister says she's hungry brother says he's hungry too
If daddy don't get a job real soon I don't know what we're gonn

Cause there's no food in this house there's no food in this hou

My daddy's looking mighty worried since they cut off the credit
at the store
I used to ask mom what's for supper now I don't ask anymore
Cause there's no food in this house there's no food in this hou
se
Daddy's been off from work now two months and a day
Mama she don't say nothing but last night I heard her pray
Oh Lord please do something something mighty fast
Me and these babies are hungry I don't know how long we can las
t
Cause there's no food in this house there's no food in this hou

The people from the church came by last night and brought a big
basket of food
I guess mama's prayers were answered it's strange how the Lord
does move
Cause we got food in this house now we got food in this house
Now when we say the blessings we thank him for the food in this
house
We thank him for the food in this house we thank him for the fo
od in this house
We thank him for the food in this house
