

# Obey

## Legend

Obey. you have to follow to find what the future holds for you.  
My life in the palm of your hands.  
You have never led me astray. You are my guiding star that made  
me who  
I am today.  
Over time I begin to find that what matters in life is more than we know.  
I'm not burning  
By the hands of you, I will see this through  
There's a time in all of our lives when you face the truth and  
the  
Truth isn't what we want to hear.  
I'm alive, I am what I am.  
I am what I am, and I was made to endure this hate.  
I'm not burning.  
What do you gain from your loss of respect,  
Where will you go when the world turns it's back...
