

# Shadow Stalker

## Legend

I am the dreamer and I will make my own path  
I found a way to prove to you that I'm more than you think. You  
will  
Never break me  
You're dead weight. You're broke inside. You will never break m  
e. What  
Point can you make?  
We are the silent ones  
I wait around for the world to change me, if and when the time  
is  
Right, we are the silent ones.

What will it take to make you see? I will never lose sight of m  
y dreams  
This is my life, I'm not going to change, because you think you  
know  
What's best for me. I will never give up.  
Watch me prove to you I can't be beat.  
We are the silent ones.
