Legend

Everything that meant something to me, has gone far away it's a
ll lost
In the mix. I can't find what it means to feel full inside, it'
s all
Foreign to me.
I need you more than you need me. Can't you save me? I'm dying
inside.
Won't you please save me? Please save me now.
This is my fucking cry for help.
Finding my troubled ways, maybe it's all inside my head. You we
re the
One who showed me not to ever give in. Not toever give in (into
the

And I can't blame you for what you did. I just want my family back
